the interview question why should we

0:02

hire you is definitely going to come up

0:05

during your job interview if you want to

0:07

know how to give the perfect answer

0:10

watch this video from start to finish

0:13

please take notes why does a hiring

Why should we hire you

0:15

manager ask the interview question why

0:17

should we hire you the hiring manager

0:19

will ask the interview question why

0:22

should we hire you for two reasons the

0:24

first reason is they want to know which

0:27

candidate is going to be the best fit

0:29

for the role and who will require the

0:31

least amount of training and supervision

0:34

so if you are a good match for the job

0:37

description make sure you mention this

0:39

in your answer and the second reason why

0:42

they will ask you the question why

0:44

should we hire you is because they want

0:46

to hear what you are going to do in the

0:48

job to give the company a brilliant

0:51

return on their investment their

0:53

investment being the salary they will

0:56

pay you every month what are some good

things to includeing your answer to the

1:00

interview question why should we hire

1:03

you there are five good things you can

1:05

say in your answer number one how you

1:08

will need little supervision in your

1:11

work and you will fit into their team

1:13

quickly number two you can say that you

1:15

will be a perfect match for the job

1:17

description you already have the skills

1:20

qualities and knowledge to meet the

1:22

demands of the role number three you can

1:25

say that you are a fast learner and fast

1:28

worker this means you will get more work

1:30

done than the average employee number

1:33

four you can say you are the type of

1:35

person who Embraces change with a

1:37

positive mindset and you will support

1:40

the company in new initiatives and

1:42

finally number five you can say you

1:44

always adopt a cost-conscious approach

1:47

to your work which will help the company

1:49

save

1:50

money what are your top three tips for

Top 3 tips

1:53

answering the interview question why

1:55

should we hire you my top three tips are

1:59

as follows follows tip number one be

2:09

will help the company grow save the

2:11

money and the fact that you want to

2:14

build a long-term career there and

2:16

finally tip number three for answering

2:19

that difficult interview question why

2:21

should we hire you is that if you have

2:23

achieved great things either in a

2:26

previous job or in your personal life

2:28

make sure you talk about these in your

Example answer

2:31

answer what's a good example answer to

2:33

the interview question why should we

2:35

hire you yes no problem here is a

2:38

brilliant example answer in a live

2:40

interview to that question why should we

2:43

hire you why should we hire you you

2:46

should hire me for four reasons the

2:49

first reason is because I am a great fit

2:51

for the job description meaning you

2:54

won't have to spend your valuable time

2:56

training and supervising me the second

2:59

reason you should hire me is because I

3:01

am a positive person who will bring

3:04

fresh ideas to your team to help you

3:06

grow the third reason you should hire me

3:09

is because I have a track record of

3:11

success which I will replicate for you

3:14

in this position for example in my last

3:17

role I helped the company increase sales

3:20

by delivering excellent customer service

3:23

and the fourth reason you should hire me

3:25

is because I am positive about change

3:28

and will support you in new company
